Please Note: Map Is Not To Scale

**Earth Fare** has a commitment to help eliminate childhood obesity in our local communities and teaching children how to make healthy food choices. While you are out at some of the farms with your children have them try and locate Rachel and say "Itty Bitty Bites". She will be decked out in pink with a big Earth Fare bag filled with some great health snacks for the kids!

## Sleep With *the* Dinosaurs!

**Contact BirdBrain at 704-483-1620. Call before Sept 11 to reserve a spot!**

*W*ant to spend the night at one of the farms? Want to "bird watch" in a whole new way? Ever tried ostrich?

This year, Pat and Mike at BirdBrain Ostrich Ranch are allowing a limited number of Farm Tour participants to camp out for \$15/tent.

Bring the whole family! Kids' crafts and activities (ostrich themed, of course) are provided, and the night will end with a family-friendly bonfire.

Sleep with the ostriches, or as Mike likes to call them, the "living dinosaurs," and for an additional fee, treat yourself to an Ostrich BBQ dinner or an Ostrich egg breakfast.
